

**Using Triac MLV wiring diagram**

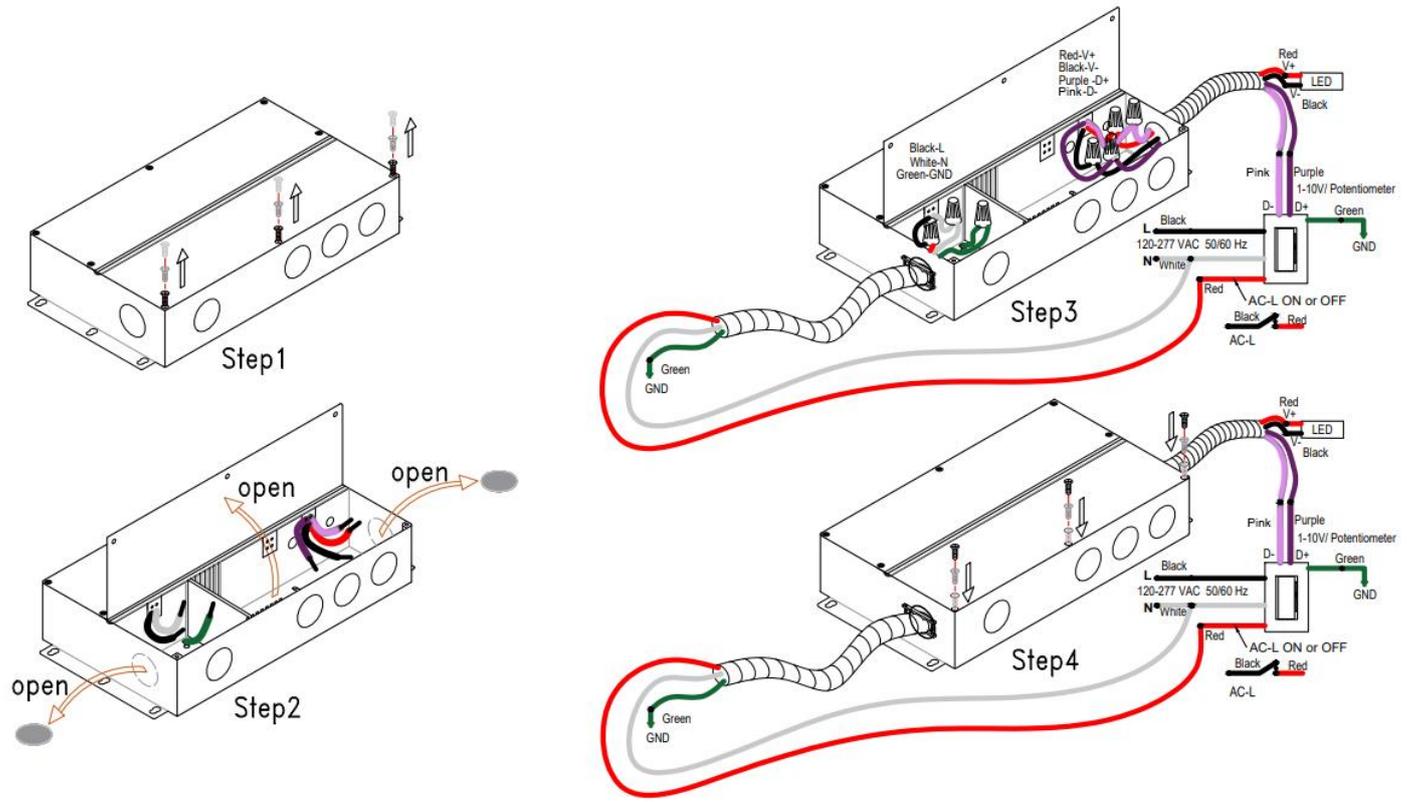

**Using Triac ELV wiring diagram**

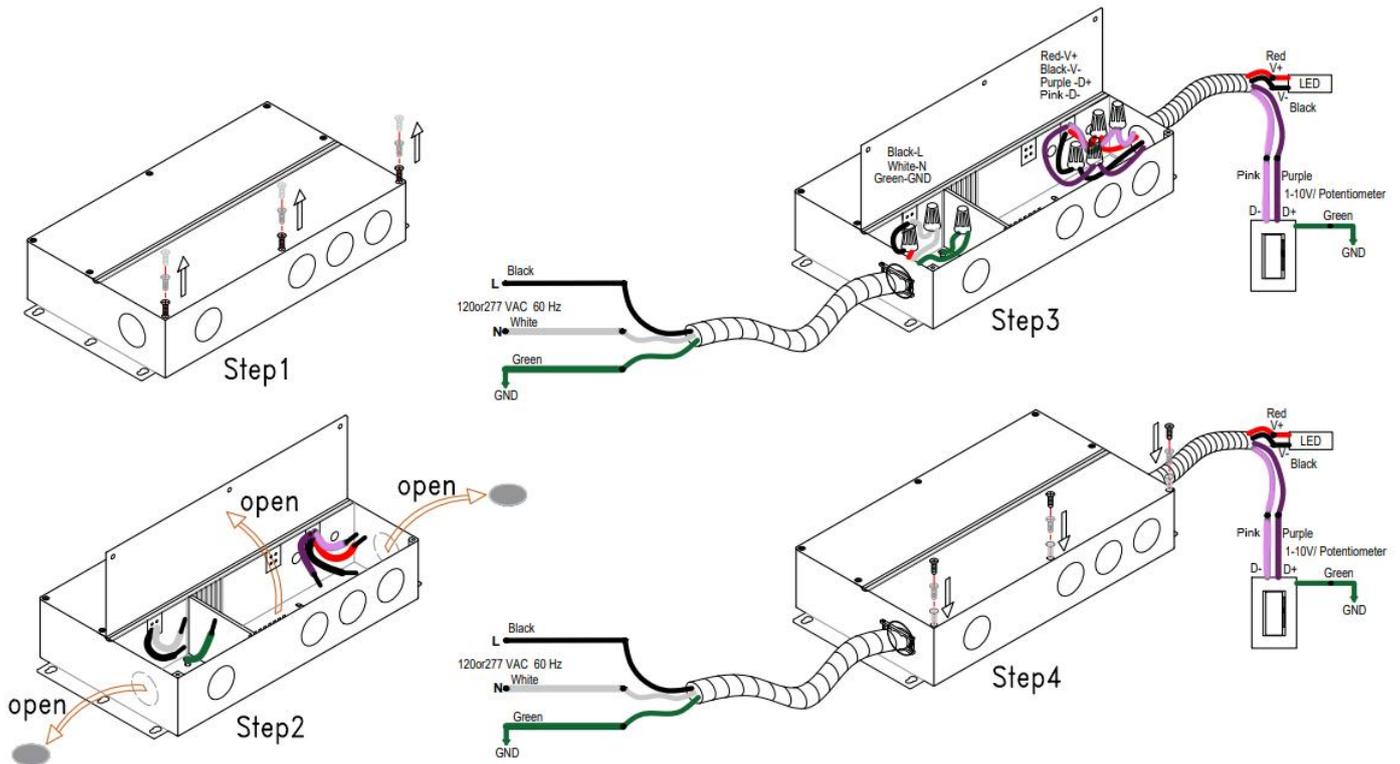

※Using 0-10V/1-10V dimming (The power supply does not pass through the dimmer)

※Using 0-10V/1-10V dimming(Power supply through dimmer switch)

※Using 0-10/1-10V dimming(The dimmer is not connected to high voltage)

※The topology
